

# State of the Area Statement by the Board of Directors of the PASC

*Second concept of Service* “The message of the Second concept in regard to money, however, is simple: Since the groups have created the service structure to perform certain tasks, the groups are also responsible to provide the necessary funds.”

Because of the action or inaction of our groups the PASC has a financial obligation and as pointed out by Board members of the WSO it would have an adverse effect on NA as a whole to default on the lease.

**Board of Directors Meeting**  
**June 25, 2005**

JB open the meeting at 12:10 pm with a moment of silence followed by the Serenity Prayer for those who care to join.

Attendance: 12 Officers present.

1. Outreach - Paul J.
2. Fundraising efforts:
  - a. Car Wash net income of \$200
  - b. Barbeque – Wally said activities would be willing to help financially but needs someone willing to head an ad hoc committee for the barbeques. Rick P. and Brad C. volunteered for this job.
3. JB read his state of the Area address.
  - a. Suspend the by-laws so that only the RCM will be reimbursed for travel to Region, not the Alt RCM or Sub committee representatives.
  - b. Rick P. – Minutes will not be mailed and groups GSR's will receive a free copy of the minutes; individual will pay a service fee.
  - c. Much discussion on thoughts of the area address. Wally: sounds one sided, and PASO vs. the groups creates an us and them situation. Mary E. Contradiction – should be short and needs a vision, rent is first priority, and we also need to look at not renewing the lease on the PASO. Victoria: Too long. Include notes from world.
  - d. Group conscience reached as stated above.

Meeting adjourned.
