

Portland Area Service Committee Motion Form

Submitted By: _____

Seconded By _____

Please fill out all of the information below to present a motion to the area for consideration. Please take special care to be very specific and complete when wording your motion. In order to make the decisions of the PASC easily understood, the clarity of not only the motion but the intent must be clear and understandable. For this reason, it is the Chairperson's responsibility to "Rule Out-Of-Order" any motion presented to the ASC that is not clear and concise. If your motion is attempting to change the existing By-laws of the PASC, the language being changed must be included as well as the proposed change. If you have any questions, or if you need any help in wording this motion, please feel free to contact the Chairperson or Parliamentarian.
