

PASC Board of Directors (BOD) meeting March 25th, 2006

JB brought meeting to order and the 12 Traditions of NA were read

- 1) Bylaws updated and will be posted onto the Area's web-site. Copies of the Area by-laws will be made available by including them in the e-mailed minutes and having additional copies available at the April PASC.
- 2) Annual budget; H&I has presented a motion for an additional \$250/ month, over and above the regular \$125/ month per Sub-committee, for literature only, in order to comply with our Area bylaws. Hotline and Activities need both present annual estimates of anticipated expenses
- 3) The Area has not received the deposit for the PASO building. Everything was moved out on Oct.31st and the building was left in a relatively clean condition. Note: Since this meeting that deposit has been forwarded to the PASC Treasurer.
- 4) Joan does our Area's taxes and all of the Sub-committees have accounts with the same banking agency, with the exception of Literature. She needs to be able to view the accounts. Jeff S. will bring up this matter with Literature Sub-committee and in the mean time will insure that accurate financial information is available.

Closed meeting with serenity prayer
