We have a presentation at Clackamas Community College on Feb. 24 . For mental health professionals, and students. Robb W. is now the CoW host and will be contacting Katrina (current webhost) to see where he c be of assistance. We were able to free up a little bit of room on the sc dule by removing some of the added information that goes with some of the addresses. Although this helps for now, a long term solution is severely ne ed to ensure that new/old meetings will fit in the schedule and that all the meetings stay accurate, and legible. I apologize for not being able to sh out my chair position at the area meeting, but a hectic work schedule h made it next to impossible to attend. I will do my best to be at the M ch area meeting, but after that my term as P.I. Chair will have ended and I ill no longer be willing to stay on at this position; therefore, the area Vi e-Chair, or any other experienced member of service, would strongly be en ouraged to attend our next meeting on Thursday, March 2300, at 7:00p.m. at ortland Fire Station # 12 at 86th and Sandy to help carry the message of o all important continuing efforts to the groups. Thank You.
